

**The Blue Sea Lake Watershed Association Bulletin
Issue No. 50 – October 2021**

NOTICE:

The Association's 2021 AGM takes place on October 23rd.

The Blue Sea Lake Watershed Association will hold its 13th Annual General Meeting on Saturday, October 23rd from 10am to noon. Because of Covid-19, the AGM will be held virtually, using Zoom. Participation will be limited to members who have paid their 2021 membership dues.

If you wish to participate in the AGM, you have until October 15th to join or renew your membership to the Association. This you can do by clicking here (www.associationblueseas.org/en/registration) and by following the instructions to submit your registration online or by mail.

If you are not sure about whether your 2021 membership dues have been paid, please email the President, Francis LeBlanc, at francisleblanc@rogers.com before October 15th.

All other questions related to the AGM should also be addressed to Francis LeBlanc, at francisleblanc@rogers.com.

After October 15th, the Zoom link to access the AGM will be emailed to paid up members. The agenda and other documents related to the AGM will be posted on the Association website at www.associationblueseas.org.

The AGM will be preceded by a short review of the features of Zoom in order to facilitate participation in the meeting. We encourage all Association members to attend. The AGM is an important opportunity for members to share their perspectives on the important issues relating to the environmental health of the Blue Sea Lake watershed.

Shorelines is a production of the Blue Sea Lake Watershed Association.
